SUPPLEMENTARY INFORMATION:

History

The FAA published a final rule in the Federal Register establishing Class E airspace at the Battle Mountain VORTAC navigation aid, Battle Mountain, NV (78 FR 58159, September

23, 2013). The FAA received a comment in support of the rule from the NBAA for inclusion in FAA Docket No. FAA-2013-0530 prior to the closing of the comment period. However, the preamble incorrectly references that there were no comments to the proposal. This action corrects that statement.
